

Intensive Rotational Grazing

Maximizing and Improving Pasture Production

Saturday,
July 13, 2019
9:30am-2pm
Duvall, WA

Presenters:

Jim & Katie Haack
KCD Staff

Featured Equipment:

- Manure Spreader
- Drop Spreader
- No-till Seed Drill
- Hay Probe
- Weed Wrench

Who Should Attend:

Livestock owners interested in maximizing pasture production and minimizing outside inputs

Visit Wild Canary Farm (formerly K-T Cattle Company) to learn how KCD Board Supervisor Jim Haack and his wife Katie raise Animal Welfare Approved and Certified Grass Fed beef with intensive rotational grazing. They will highlight pasture health best management practices and KCD will demonstrate equipment available to farmers and landowners.

\$10 per person

includes a locally-prepared lunch, partially sponsored by King-Pierce Farm Bureau.

Pre-registration required by July 11.

Address and additional details will be sent to registered participants one week prior to the event.

**Limited
to 45
attendees.**

Register today at <http://2019kcdpasturehealthworkshop.eventbrite.com>
